

Why Chad?

"Uses a successful six step keynote success methodology"

"Guaranteed to engage the audience"

"Leaves you energized and excited to make a difference"

Chad Carden has been consulting, coaching, and speaking with companies across the world for 12 years, focusing on sales, sales management, executive coaching, and keynote speaking. He has shared the stage with CEOs of Fortune 100 companies, billionaires, and politicians. Chad is also a part of Fortune Magazine's Business Leader Counsel. He has had the opportunity to consult and speak to many large companies, including AT&T, UBS Financial, Farmers Insurance, Enterprise Rent-A-Car, and Merrill Lynch.

Presentation Topics

- **Using the P.E.P.P Formula to Achieve Success**
Chad knows that life and business is all about moving in the right direction everyday to reach your goals, and his P.E.P.P. Formula helps you do just that.
- **Leadership: The Six C's of Leadership**
In today's world there is a huge gap between true leaders and others who manage people.
- **The Money Game**
Helping people set themselves up for success, not failure, when it comes to their personal finances. Being educated on financial matters is more important than ever.
- **Vision to Reality**
Chad's "Vision to Reality" is a step by step proven process that will lead you to a predictable result, which in this case is success in your life.
- **The Four Different Stages of Attitude**
Once you consciously understand what stage of attitude you are in, it becomes easier to change your mindset to impact your attitude in a positive way.
- **Reliable Communication Permits Progress: Conflict Resolution**
Conflict occurs in every organization, group, family, and association today. How to deal with conflict could be the difference between success and failure.
- **Enthusiasm: One MAJOR Key to Success**
Chad has been on a life journey to have fun and create a fun environment through the power of enthusiasm.

And Many More.....
